

**TENNIS TIMES TABLES
SOLUTION**

1. Tennis coach Sabrina has a basket of 100 balls. She shares these evenly across 5 players so they can practice their serve. How many serve practices does each player get?

Ans: **20 = T**

2. Amelia wins six points in her first match and nine points in her second match. How many points did she win altogether?

Ans: **15 = O**

3. Callum has five tennis balls. He gives three tennis balls to Lucy. How many tennis balls does Callum have left?

Ans: **2 = B**

4. Eric has four tennis balls. Chris gives him eight tennis balls and How many tennis balls does Eric have?

Ans: **12 = L**

5. There are ten points in a tiebreak (deciding point at 9-9). Amelia has five points. How many more points does she need to win the tiebreak?

Ans: **5 = E**

6. If Ben hit four backhands each over five rallies, how many backhands has he hit altogether?

Ans: **20 = T**

What has a neck but no head?
